

THE TRAINER IS IN!

Denise Nord, CPDT, KA

Denise Nord is a Certified Professional Dog Trainer and has been working with dogs and their humans for over 20 years. She lives with a pack of Beagle who attempt to teach her the ways of dogs. They do like her training methods, which are fun for dogs and humans, and involve treats, toys and other good things.

Denise did the training segments for the Emmy nominated cable TV show "The Dog Show with Jazz"; she has been interviewed for many dog magazines and books; has been a featured speaker doing training demos (and TV appearances) at the MN State Fair and a guest speaker on Animal Wise Radio. She is an evaluator for the American Kennel Club's Canine Good Citizen program, an obedience judge for the Australian Shepherd Club of America, and a charter member of the Association of Professional Dog Trainers. (CPDT) (KA – Knowledge Assessed)

Her dogs compete in conformation, obedience, rally, tracking, agility, lure coursing and sofa surfing and have won many awards in all venues. They also do photo shoots for print & TV ads. Denise works with hundreds of dogs every year and appreciates the opportunity to learn from all of them

Growing up, Denise's parents had Boston Terriers and she is well versed in their behavior and temperament. For the past 10 years Denise has been the "in-house" trainer/behaviorist for the Minnesota Boston Terrier Club and its Rescue Program.
